### **TRAFFIC SIGNAL IMPROVEMENT AT STATE HIGHWAY 9 AND CHAUTAUQUA AVENUE**

The City Traffic Control Division will be upgrading the traffic signal installation on State Highway 9 at the Chautauqua Ave. intersection. The work to be accomplished includes the replacement of existing left-turn signal heads on Chautauqua Ave. with protected-permissive flashing yellow arrow heads and the corresponding traffic control signs. This work will take place on Tuesday, July 21, 2015, weather permitting. After 9:00 a.m. on July 21, the intersection may be temporarily controlled by an all-way stop sign. Full signal operation should be restored at the intersection by 12:00 p.m. on the same day. Any questions about the project can be directed to David Riesland, City Traffic Engineer, at 405-329-0528, or [David.Riesland@NormanOK.gov](mailto:David.Riesland@NormanOK.gov).
